SQUANKUM ROAD
FARMINGDALE, NEW JERSEY 07727

November 30, 1970

Dear Hal:

After mailing you the bullet samples this past Saturday, (insured special delivery No. 766911) I received a publication in which is reproduced one of Spragues maps. I have designated the approximate spot where I found the bullet on this map, which I think may be easier for you to read.

Sincerely,

Enclosure
